# VOLUNTEER FAQ

THANK YOU FOR YOUR GENEROUS  
HEART AND FOR PARTNERING WITH  
US TO HELP END CHILD POVERTY.

Your support is helping transform lives  
— and by sharing your story, you can  
multiply that impact even further.

Below are answers to common questions  
about holding **Better World Sunday** at  
your church.

## HOW SHOULD I ASK MY PASTOR ABOUT SHARING MY STORY?

Start by expressing your heart for Child Sponsorship and your desire to encourage others in your church to consider sponsoring a child. Let your pastor know that Better World Sunday is a simple, meaningful way to show how God is working through sponsorship to bless children and their communities. You could say something like:

‘I’d love to share a short message with our church about how my faith inspires me to help children thrive through Child Sponsorship. Could we find a Sunday in early February where I could share for a few minutes?’

## WHAT SHOULD I SAY DURING MY SERVICE?

Share your unique journey with Child Sponsorship — how it’s impacted your faith, what it’s meant to you, and the difference it’s made for the child you sponsor. You’ll receive a pack with helpful materials, including a sample Child Partner profile, PowerPoint slides, and a booklet to guide your message.

### **You might include:**

- Why you chose to sponsor a child
- How sponsorship has deepened your walk with Christ
- The broader impact — how, with Baptist World Aid, each sponsorship helps around 35 people in the child’s community
- An invitation for others to join you in making a difference.

## WHEN SHOULD I HOLD MY SERVICE?

You can hold your Better World Sunday service anytime that suits, but we recommend planning for 1–15 February, during Australia’s back-to-school period. This is a time when children are top of mind for many families, making it a great opportunity to highlight the needs of children around the world, including the need to attend school.

## HOW LONG SHOULD MY MESSAGE BE?

Aim for 5–10 minutes. This gives you enough time to share your story meaningfully while keeping it accessible for a Sunday service. If your church allows, you can also include a short video or invite questions afterward.

And don’t worry if you only have time for a short announcement — it’s still a great opportunity to briefly share your story.

## HOW DO PEOPLE SIGN UP ON THE DAY?

Interested people can become a Sponsor right away by scanning PowerPoint slides with a QR code where they will be presented with an opportunity to connect with a Child Partner. They can also navigate to [baptistworldaid.org.au/betterworldsunday](https://baptistworldaid.org.au/betterworldsunday) to join the movement.

## WHY IS BAPTIST WORLD AID COVERING CHILDREN'S FACES?

Your pack will include a sample Child Partner profile of Khusnaj with some interesting facts about life in Nepal where she lives. You'll notice we have placed a friendly yellow 'sticker' over Khushnaj's photo. This is our regular practice with images of children awaiting sponsorship — to protect their safety and dignity. You can find out more about this practice [here](#).
