We're Supporting Baptist World Aid's Christmas Appeal!

Pastor Nathaniel lives with his family in the Solomon Islands, where families experience frequent illness and injury, and poverty means communities can't access all they need.

But this is changing. With support from Baptist World Aid, Pastor Nathaniel volunteers his own time, leading health and safety initiatives that eradicate illnesses like malaria, build strength and help communities overcome poverty.

Want to multiply this impact? Give to Baptist World Aid's Christmas Appeal and equip local Christian leaders like Nathaniel to love their neighbours.
