Become a Sponsor. Change More Than A Child's Life

Did you know that Child Sponsors do more than support a child? By becoming a Sponsor for \$52 per month, you'll be part of a poverty-fighting movement. You'll also be creating opportunities, not just for the Child you support, but also their parents, brothers, sisters, and neighbours, helping them transform their whole community. Sponsor today and help improve the quality of life of more than 35 people!

Baptist World Aid needs 500 new Sponsors to continue fighting the injustice of poverty. Please become a Sponsor today and make a significant, far-reaching impact on poverty.
