Bulletin Notice

It's been a tough year for the world's hungry and vulnerable — but we continue to trust that God is working through his people to bring healing and relief. Can you help? Giving to Baptist World Aid's Matching Grant Appeal means your tax-deductible gift is combined with Australian government funding to make a powerful impact on poverty. Give by 30 June and help turn impossible situations into a world of possibilities. Donate today at bwaa.co/greater-impact or ring their friendly staff on 1300 789 991.
