## PRAYER POINTS FOR MYANMAR

A 7.7 magnitude earthquake has caused major devastation and killed an estimated 2,700 people in Myanmar. Please join us in praying:

- That God would comfort those who have been impacted by the earthquake in Myanmar and lost their loved ones
- For protection and safety for families forced to leave their homes and workplaces
- For recovery efforts to continue smoothly, and for the safety of emergency workers
- For our Partners as they assess the situation and determine the best ways to provide aid
- For a miraculous peace and an end to the ongoing violence and unrest in Myanmar.

## A PRAYER FOR THE PEOPLE OF MYANMAR

Dear Heavenly Father,

We come before you with heavy hearts, and lift to you all those affected by the devastating earthquake that struck Myanmar. Lord, you are our refuge and strength, our ever-present help in times of trouble. Please draw near to those who are grieving the loss of loved ones, those who are injured, and those who have lost their homes and livelihoods.

Father, we pray for the many families who have been forced to flee — protect them, provide for their needs, and keep them safe from harm. May they find shelter, food, and care in the midst of this crisis. Strengthen the hands of emergency workers and all who are involved in the recovery efforts. We also lift up aid workers on the ground who are providing support — guide them as they bring aid to those who are suffering.

Lord, we cry out for peace in Myanmar, and ask that you bring an end to violence and conflict. May your love and justice reign in this land. May your light shine in the darkness, bringing hope and restoration.

In Jesus' name we pray,

**Amen.**
